2007 Annual Report

The AIDS Services Center Coalition, Inc. is the legal entity that produces the annual Louisville AIDS Walk. In addition to producing the Louisville AIDS Walk, the mission of the ASCC is to provide a forum and formal structure by which it may initiate and collaborate and support ongoing and future HIV/AIDS programs and services, and prevent duplication of efforts and gaps in HIV/AIDS programs and services.

Dear Friends,

Preparing an annual report gives us the opportunity to look back and appreciate the accomplishments of our all-volunteer organization. 2007 was filled with many. Highlights were:

- \$165,000.00 raised by Louisville AIDS Walk 2007, our 15th Annual.
- Community education through public service announcements and media appearances in connection with Walk 2007.
- Community-wide observances of World AIDS Day, including a memorial service and celebration of life.
- Continued building of the Louisville AIDS Resource Center.
- Monthly information-sharing among member agencies to coordinate and improve services to individuals living with HIV/AIDS.

The following is an overview of the ASCC's income and expenses for the fiscal year ended December 31, 2007.
